John Wanamaker, the merchant prince, who began poor, says: "The difference between the clerk who spends all of his salary and the clerk who saves part of it is the difference—in ten years—between the owner of a business and the man out of a job."

Only the man who has saved money for himself realizes the enormous part played in making money in business by effecting little savings here and

PROMINENT VISITORS ARE VIEWING ROSWELL

Roswell is being visited by a party of prominent men from various sections of the country, the party being composed of C. H. Rittenhouse, president and manager of the Western Construction Company, of Wichita, Kan., M. F. Loomis, of Hillsdale, Michigan, a manufacturer, and Julius Beaman of San Francisco, and F. L. Tubbs, of Omaha, Nebr., jobbers of heavy machinery. The Western Construction Company, of Wichita, is the company that is putting in the immense pumping plants for irrigation at Portales, Estancia and Willard, and the other heavy machinery men are looking over the country of the Pecos to see its possibilities in the pumping proposition and to see what they can expect in the way of a field for the sale of their output. They will spend several days in Roswell and vicinity to give out in a few days. The were shown a portion of the Roswell farming country today by Judge G. A. Richardson, the crowd forming an auto party. Messrs. Rittenhouse and Beaman are accompanied by their wives. The party is stopping at the Gilkeon.

Prep School Meet

Philadelphia, May 6.—University of Pennsylvania freshmen's track team will meet the combined preparatory schools on Franklin Field this afternoon.

From Northern Baptist Convention.

Mr. E. O. Sellers, who has charge of the singing for the special meetings to be held at the Baptist church May 15, to May 29 is busy this week in charge of the music at the Great Northern Convention sitting now in Chicago. This convention will enroll from 2500 to 3000 delegates. Thursday the great Convention closes and that evening Mr. Sellers takes train for Roswell. He meets the chorus for opening drill Saturday evening at 8 at the Baptist church. That Mr. Sellers should be chosen to lead the music at such a convention is a tribute all its own. That such a man is coming to Roswell fresh from such a great gathering is a fact to be at once appreciated by the good people of Roswell.

NO DIVORCE FOR THE GREENS AT THIS TIME.

Judge Wm. H. Pope, in District court, decided the Green divorce case late yesterday afternoon. In this suit Martha S. Green had brought suit against Wm. W. Green, the suit following the trouble in which Mr. Green brought about the arrest of his former employer, C. J. Cronister, claiming that Cronister was trying to run away with his wife and various other things not exactly regular. Mr. Green fought the divorce and some pretty "racy" evidence was brought out. The case took up about ten days of the court's time. Judge Pope's finding, after several days' consideration, was that neither party should

have custody of their children. The care and custody of the children was one of the main points over which the fight was made. Mrs. Green has a daughter by a former marriage and she retains possession of this child. The oldest daughter of Mr. and Mrs. Green goes to Mr. Green's relatives. Their four-year-old triplet girls go to Mrs. Green's parents for care and keeping. The guardians of the children must give \$500 bond for their safety and good treatment, subject to the further orders of the court.

Abe Williamson, of Monticello, Ark., who has been a cadet at the Military Institute and will next year become a member of the first class, left last night for his home, intending to visit in Carlsbad and Mineral Wells, Tex., on the way.

H. G. Coors and G. T. Meyer, the latter representing the Meyer Brothers Drug Company, of St. Louis, left this morning for Clovis after spending a day here on legal business. Mr. Coors is a rising young lawyer at Clovis.
